Offering you the support and confidence you need to unlock your full potential and successfully progress in your apprenticeship and beyond.

The only platform of its kind in the UK, the Association of Apprentices is your place to come together with the hugely talented community of apprentices – past and present – to access:

A network of like-minded people and community forums

News, information, advice and guidance

Additional learning to accelerate professional development

Online tools and resources to support career progression

Support so that your voice is heard in the workplace and beyond

Access to a discount card - coming soon

Events (virtual with local events coming soon!)

The power of community

We're not just **for** apprentices, our work is also **led** by apprentices.

Join today to become part of our growing community of apprentices just like you.
